

APPRECIATION LETTER

To whomsoever it may concern

MyCaptain, an initiative by an NSRCEL, IIM Bangalore incubated company, is an online learning platform awarded by the SDSN as one of the Top 50 youth led solutions working on quality education.

I would like to appreciate all the hardwork and diligent effort DINESH N has put in MyCaptain Python Programming course in the month of February, 2022. As the mentor, I have seen that in every live video class session, DINESH N was very participative and always willing to learn and enhance skills in every aspect. DINESH N is always willing to put forth a unique approach for the projects and activities that are assigned, while also adhering to the guidelines and rules.

With this, I would take this opportunity to wish DINESH N , all luck for future endeavors and hope for a bright future ahead.

Kind Regards,

Gowtham.S
